

RIVER ARTS INC.

ORGANIZATIONAL CHART

ORGANIZATIONAL CHART

River Arts Inc. (RAI) was founded in 1997 to help raise funds to build the River Arts Center (RAC). Because of this, RAI has a special agreement with the Sauk Prairie School District (who owns and operates the RAC). The RAC Advisory Board is comprised of two representatives from the Sauk Prairie School District, two RAI representatives, and one community member.

River Arts Inc. and the River Arts Center are two separate entities and therefore have separate organizational structures.
